

FEEL FREE TO USE MY PERSONAL PROFILE DESCRIPTION AS A TEMPLATE, OR STEAL IT WORD FOR WORD IF YOU LIKE.

I have been living in “MY LOCATION” now on and off for about 12 years with lots of travel in-between.

Surfing is what brought me and my girlfriend here, and it is also what inspires us to travel.

Each winter we search for warmer climates (with warmer water!!), and set sail to discover new surf destinations and new travel opportunities. The last 10 years or so have taken us to Morocco, Sri Lanka, India, Indonesia, Hawaii, California, Southeast Asia and much more.

We can't wait for the coming years to see where they take us.

We now have a little 4 year old boy, and a wild little 1 year old girl. This has changed things a fair bit, but we have just learned to do things at a different pace.

When we travel we like to keep things pretty relaxed and rustic, and I hope you feel this way too, when you come and visit our house.

“MY LOCATION” really is a special place.

I hope you enjoy it as much as we do.

HAVE FUN!!!
